# Donation Request Form

Iowa State Bank is a locally owned bank and is built on a foundation of giving back to the communities that have helped us achieve success. We are proud to support organizations that seek to benefit our local community. Our funding priorities include organizations that support financial education and work to improve the general quality of life in our community. We often give preferential consideration to those organizations that maintain banking relationships with Iowa State Bank and whose main purpose is to benefit low and moderate-income individuals in the greater Des Moines area.
